

Navigating the Birth to Three Fiscal Portal: Posted EOBs

This report provides users with a view of which EOBs have been manually posted to a claim in EI Billing. Users can filter on various criteria. Users can also drill into the billing history of the claim. The report should be utilized to confirm the EOB information entered, matches what was provided on the paper EOB report. Best practice is to be viewed weekly and at a minimum, monthly.

7 Steps [View most recent version](#) 

Created by	Creation Date	Last Updated
Shelbi Neely	Apr 14, 2025	Apr 14, 2025

STEP 1

Log into your account

STEP 2

A. Select Reports

B. Select Insurance

C. Select Posted EOBs

EOBs that have been posted into EI Billing. Providers must provide EOBs when PCG does not receive an EO 835.

STEP 3

A. Select Retrieve to view all Posted EOBs without any filters.

B. Click on Retrieve

STEP 4

- A. Select dates in Posted From
- B. Select dates To

Provider can filter based on dates and select Retrieve to view the report
