A table with the following columns is displayed: 'Check Or Trace Number', 'Issue Date', 'Check Amount', 'Adjustments', 'Gross Payment', 'Production Date', and 'View Details'. The table contains 10 rows of data, all with 'Adjustments' of '\$0.00'. A red box highlights the table area. The footer of the page reads '© 2025 - Public Consulting Group | 2.302.0.0'.

Select on EOBs tab

EOBs tab has limited information because check numbers are not always given on EOBs from a provider. It's usually information specifically about a child from a date of service from an insurance company.

EOB Entered Date is date entered from PCG. It includes the insurance company information, amount paid and amount billed information. The provider can also view the specific details of the EOB records.

The screenshot displays the 'Birth to Three Fiscal Portal' interface. At the top, there is a header with the 'Connecticut Birth to Three System' logo, the portal title, and the 'PUBLIC CONSULTING GROUP' logo. A search bar and a 'LOGOUT' button are also present. Below the header, a navigation menu includes 'Home', 'Claiming', 'Maintenance', 'Reports', 'Help', and 'My Account'. The main section is titled 'Provider Payment Profile' and features a date range selector set to 'From 10/01/2023 To 12/31/2024' and a 'Run' button. A tabbed interface shows four tabs: 'Escrow', 'Medicaid 835s', 'Insurance 835s', and 'EOBs'. The 'EOBs' tab is currently selected and highlighted with a red border. Below the tabs, there are buttons for 'Excel', 'CSV', and 'PDF'. A table with the following columns is displayed: 'EOB Entered Date', 'Insurance Company', 'Amount Paid', 'Check Number', 'Amount Billed', and 'View Details'. The table contains ten rows of data, all showing '03/01/2024' as the date and 'TRI CARE' as the insurance company, with 'Amount Paid' and 'Amount Billed' both set to '\$0.00'. Each row has a 'View Details' link. At the bottom of the table, there is a pagination control showing '1 2 3 4 5 6 7 8 9 10' and an 'all' option.
