

Release Date: 02/18/2026

Version: 2.348.0.0

Overview

This release has several fixes for issues that have been reported by users and a new security feature.

Features

- 110618 – Starting with today’s date, any user that does not login within a 30 day time period will be locked out and must contact their administrator to get their account unlocked.

Changes

- 115900 – “FCP Payments” have been removed from the login page.
- 112293 – Fixed an issue for PCG and State users on the Insurance 835 Checks report.
- 118794 – Fixed the time-out error on Claims Awaiting EOB.
- 102937 – Removed two columns from the Billing History results grid that were added in error.
- 110677 – Some records appeared to be duplicates when looking at the Billing History. Data has been added to show that they are different records

User Impacts

- 110618 – Starting with today’s date, any user that does not login within a 30 day time period will be locked out and must contact their administrator to get their account unlocked.
